Turning to Furniture for Gifts.

Since it has become the fashion to make presents of articles of furniture at Christmas instead of jewels and curios, thoughtful men and women are turning to furniture as the most desirable gift that one can present to mother, father, sister, brother or friend. A piece of furniture lasts a lifetime and gladdens the entire home circle, as every one delights in attractive home surroundings. The price of furniture to-day is very low; it has ceased to be a luxury; a little money will secure an article for the parlor, library, bedroom, dining-room or hall that will always be appreciated.
